

BACKPACK EMERGENCY CARD

It is important to have your emergency contact information with you in case of an emergency. Complete the cards below, cut them out around the dotted line, fold in half, and keep the Child's Card in your child's backpack and the Guardian's Card in your wallet. Make this card part of an emergency planning family night! Fill this card out with your school-aged children and explore more emergency planning recommendations here: <https://www.cdc.gov/childrenindisasters/before-during-after.html>.
